INTERVIEW SUMMARY

Applicants provide this Statement of Substance of the Interview concerning the telephonic interview held August 4, 2006, between Examiner Chen and the undersigned attorney.

No exhibit was shown, and no demonstration was conducted. Claims 1 and 34 (as shown in the Amendment filed August 10, 2004, which was separately provided to Examiner Chen for the purpose of discussion in the interview), U.S. Patent No. 6,026,190 to Astle, U.S. Patent No. 5,089,889 to Sugiyama and U.S. Patent No. 5,926,209 to Glatt were discussed. No agreement was reached as to the claims.

The examiner did suggest that, barring negative search results, inclusion of an "L-shaped filter" might make claim 1 patentable.

The Applicants thank Examiner Chen for his diligence in examining the present application. If the Examiner believes further discussions with the undersigned attorney would in any way expedite prosecution, please contact the undersigned attorney.
